### Master Installer Training Program™

On August 30th and 31st, 2011, Magnum Piering, Inc. hosted a Master Installer Training Program. The program, to be held annually, included classroom study and hands-on field training intended to enhance installer knowledge, improve quality, and provide tips for field production. The roughly 30 participants rated the course as "Excellent" in 97% of questions on exit summary evaluations. [Click here to read more.](#)
