

Foundations For Power Transmission

**High Capacity
Grillage
Platforms
Engineered and
Manufactured**

**Magnum Helical Foundations
for Transmission Towers**

- Lattice Towers
- Mono Pole Towers
- H-Frames
- Timber Poles
- Guyed Towers
- Self-Supporting Towers

Helical Pile Advantages:

- SAFE
- Economical
- High Production Rates
- Low mobilization Costs
- Compact Equipment
- Concrete-less Foundations
- Minimal Environmental Impact
